At Zest 4 Leisure,
understanding the importance
of your outdoor space is at the
heart of everything we do...

Like never before, outdoor space has become a sanctuary as well as an asset. At Zest 4 Leisure, understanding just how important this space is to you is at the very heart of our business.

We are a British family-run business based in Wales and for over 35 years and we have been designing and manufacturing sustainable timber products using wood sourced from responsibly managed forests in Europe.

Our award-winning FSC® certified pieces are the result of years of dedication, innovation and unrivalled expertise in creating garden products that help you relax, enjoy, grow, play, and entertain in your outdoor haven.

Award winning design and craftsmanship

During production, each piece passes through several quality control processes to ensure it is made to exacting standards from the best quality materials and components.

Over the years we have won many prizes, including the Best in Show Award in 2020 at GLEE, which is the garden industry's most renowned trade show where the leading brands in the industry meet and compete.

Association Memberships

Steve Morgan MD

Five generations of expertise in each piece

Zest 4 Leisure as a brand started in 2005, but our heritage in the timber industry stretches back five generations to 1832 when George Morgan established a timber yard in his native Crieff in Perthshire. In 1985, George's great-great-

grandson, Malcolm, created what became our holding company, the P&A Group. Malcolm's dedication, values and commitment to quality has been passed through to this day to his son, Managing Director Steve Morgan.

Over the years we have grown to become one of the leading specialist in the timber garden market by continuing to put quality and innovation at the forefront of our business.

Our products are designed by a team of experts who combine their ingenuity to create pieces that are not only comfortable and visually beautiful, but which also reflect the different ways we like to enjoy our outdoor spaces.

Whether it is a relaxing arbour where you can sit and watch wildlife come and go, a space-saving planter to grow your own produce, or a dining set that provides the setting to create lifelong memories with friends and family, our expertise and passion is for longevity and quality using sustainable, natural materials.

Home Delivery

As part of our service to our retailers, we provide inclusive home delivery to mainland UK for products highlighted with the  icon. Deliveries to Northern Ireland take a little longer.

Natural Beauty

As an environmentally-conscious company, we source all of our timber from responsibly-managed forests in Europe and everything we create meets the highest standards of sustainability; even our recycled woodchip is used as a biomass fuel to provide an eco-friendly alternative as it produces less carbon emissions than other traditional fossil fuels.

We ensure and promise that every piece of timber we use in our range is certified to Forest Stewardship Council® (FSC®). We are proud to say that we are an FSC® certified company with a strong commitment to the environment and to ethical sourcing.

This is vital not only for the planet but also to understanding the ethos behind Zest 4 Leisure itself.

Timber is a natural material and sits beautifully within outdoor settings. It also means that every piece of timber is unique and has its own distinctive features.

Changes in temperature and humidity will naturally cause expansion and contraction, so give your Zest 4 Leisure product time to settle into its new environment. A few splits or cracks are part of the maturing process and will not affect its strength or durability.

Knots embedded in the wood are natural and tell the story of the tree from where it originates. You may also notice variations in colour and shading but these will even-out once it is exposed to the sun in your garden.

Most Zest 4 Leisure products are pressure-treated which is a process to maximise their longevity. Pressure-treatment sometimes causes a green-spotting effect on the surface of new timber as the natural salt leaves the wood. Rest assured, this will gradually fade away over time and is in no way detrimental, it is a natural characteristic of this beautiful material.

Our timber products are all pressure or dip treated and many arrive flat packed with clear assembly instructions and selected products arrive ready built. Our furniture, decorative products and selected lines are guaranteed against rot for 10 years. The key below will indicate if a product has special features:

Pressure Treated & Guaranteed
Made with quality Pressure Treated timber & backed by a 10 Year Guarantee Against Rot

Pressure Treated
Made with quality Pressure Treated timber

Dip Treated
Timber has been dipped rather than Pressure Treated

Size and Measurements

All sizes where quoted are approximate and in metric. Products have been measured to maximum exterior dimensions including roof overhang unless otherwise stated. Our policy is one of continuous improvement. We therefore reserve the right to modify product designs and specifications without prior notice.

New Easy Build Range

Today, convenience is more important than ever, and many of our latest products have been specially designed for easy assembly. This means they have fewer components and just a handful of basic assembly stages to complete. Take for example...

THE BURGHLEY ARBOUR

The 1.2m deep canopy Burghley Arbour is assembled together in just a few easy steps and offers a seating position that provides extra undercover shelter to enable you to spend more time in the garden. Made from FSC® pressure-treated timber, it is also guaranteed for ten years against rot.

THE TENBY ARBOUR

The stylish and sturdy Tenby Arbour is simple to build, with straightforward elements to assemble. Offering both shade and shelter, the ergonomic design gives you a comfortable place to sit and relax.

THE CHARLOTTE FURNITURE RANGE

The new Charlotte range includes two dining sets with round or oblong tables, 2 and 3 seater benches, a companion seat and a chair to match. Designed in a chunky and traditional style and featuring a rich brown colour, the Charlotte range combines style with easy to build convenience and is the perfect choice for alfresco entertaining.

THREE TIER STACKABLE RAISED BED

Part of our Grow Your Own range, this is the ultimate in convenience and versatility, giving you maximum flexibility to arrange your own display of flowers or vegetables in a number of configurations.

Animated Assembly Videos

All products in our range come with easy-to-follow assembly instructions, but to make things even easier, you can also follow our 'How To'-style animated assembly videos on our YouTube channel.

 Watch our animated assembly videos at www.youtube.com/c/Zest4LeisureVideos

Grow Your Own

...we have all you need to enjoy growing your own fruit and veg.

Stepped Herb Planter
Size: W0.83m x D0.96m x H0.85m
GIMA Award Finalist

Our popular and practical range has everything needed to start growing your own produce with ease, be it herbs, vegetables or flowering plants.

From cold frames to herb stands, potato planters to potting tables, our Grow Your Own range has everything you need to grow a bumper crop! Our range includes a wide selection of products to suit gardens, terraces, patios and allotments of all shapes and sizes, so the only decision is what to plant first!

Arbours

Make the most of that perfect spot in the garden with a beautifully designed arbour. Enjoy dreamy summer days with sunlight dappling through the intricate trellis of the Chepstow Arbour or spend long summer evenings relaxing in the more private Cheltenham Arbour. With underseat storage, arbours are also a practical addition to the garden.

The new the Burghley and Tenby Arbours are designed to enable you to spend longer in the outdoors. Stylish and sturdy, both are part of our Easy Build range designed with fewer components that fit together easily. Crafted from pressure-treated FSC® sustainable timber, each arbour also comes with a ten year guarantee against rot.

Gazebos, Pavilions & Shelter Range

For the perfect location to relax with family and friends, our range of pavilions and shelters are ideal for a variety of uses. From a summer garden party to an outdoor playroom or garden office, this expertly designed collection gives you more time in the garden to enjoy the great outdoors.

Appleton Gazebo

Every effort has been made to provide up to date factual information, but as our policy is one of continual improvement we reserve the right to modify or change specifications as necessary. No liability will be accepted for errors and omissions. All guarantees are conditional and if you are in any doubt as to the terms and conditions, please feel free to contact us. All sizes where quoted are approximate and in metric. Products have been measured to maximum exterior dimensions including roof overhang unless otherwise stated. Some specifications may vary due to availability and product improvements. Colour has been applied to some products for photographic purposes only. We take great care in the photographic accuracy of products shown in our brochure, however due to variables in both photographic and printed processes and the natural characteristics of wood, colours may not exactly match the actual products. All orders will incur a delivery charge (UK Mainland only).
